Special Edition Tribute Newsletter

Our dear Vice President for Academics, Benita Roth, left us on May 27, 2023, after a short illness. Benita was not only a former president of our union chapter but also a beloved colleague, friend, and a fierce advocate for the causes we hold dear.

In honor of Benita's incredible contributions to our union and the indelible mark she left on all of us, we have compiled a Special Edition Newsletter. This newsletter is dedicated to celebrating her life, sharing tributes, and preserving the memories we hold close to our hearts.

Within the pages of this newsletter, you will find heartfelt tributes from colleagues, remembrances of cherished moments, and reflections on Benita's impactful leadership during her tenure as an officer of UUP. It serves as a testament to the legacy she leaves behind and the inspiration she provided to all of us.

I encourage each of you to take some time to read through the newsletter as we collectively remember and celebrate Benita's life and the positive influence she had on our union and on Binghamton University. Her dedication, passion, and unwavering commitment to the causes we champion will forever be etched in our memories.

You can use this link to access this Special Edition Newsletter or click the button below.

Individual Development Awards - IDA

You can now apply for the 2023-2024 NYS/UUP Joint Labor-Management Committee Individual Development Awards (IDA)

This year's IDA program provides up to \$2,000 for UUP-represented employees to engage in up to two distinct activities that further professional development. Employees can submit a maximum of two applications totaling \$2,000 in expenditures. (For example, one application can be for \$1,238.00 and the second application can be for \$762.00; both applications can total up to \$2,000.) Part-time employees are particularly encouraged to apply because 15% of the IDA funds are set aside for these employees. The IDA Program is intended to assist eligible employees to develop their full professional potential and to prepare for advancement. Funding may be provided to enhance teaching, research capabilities, professional knowledge and skills. Funding may not be awarded to purchase equipment or supplies or to support activities that are not related to the applicant's SUNY profession. (Note: Funding restrictions have changed over the last few years, so review the restrictions closely.) Please see the [IDA Program Guidelines](#) for more information.

July 2, 2023 – July 1, 2024

Employees may be funded for up to two projects or activities, not to exceed a total of \$2,000 for the period of July 2, 2023, through July 1, 2024. [Complete the online Application](#)

The Deadline for the 2023-2024 applications is **11:59 p.m. Sunday, April 14th, 2024.**

The IDA program has changed. Awards reimbursement will follow the process outlined in the Accounts Payable [Personal Reimbursement Procedure guidelines](#).

Note: The application requires that you fill out a separate PDF and submit it to the Google form so that the committee can better keep track of all applications. [The fillable PDF form can be found here.](#)
