DID YOU KNOW?

Academic Titles

Academic employees can be hired on tenure track or non-tenure track lines.

Tenure track titles are: Instructor, Assistant Professor, Associate Professor and Professor (as well as academic Librarian titles).

Non-tenure track titles are: Adjunct, Lecturer, as well as all the Academic tenure track titles (above) when preceded by a qualifier like "research" or "clinical" or "visiting". If you are in a "research assistant professor" title, you are NOT eligible for tenure. You can still be appointed to full time, term contracts, of up to three years in duration, but will never be eligible for tenure.

Should you have any questions about your title, please contact us.

Tara Singer-Blumberg, labor relations specialist – 634.7132 or tsinger@nysutmail.org
Paul Zarembka, grievance officer for academics – 645.8686 or zarembka@buffalo.edu
