UB Adopt-A-Family Program: Department Sign-Up

The UB community is once again invited to come together to support local families through the Adopt-A-Family program. You're receiving this email because you or your department have participated in the past or expressed interest in getting involved this year.

The Office of Community Relations partners with local community centers, organizations, and schools to identify deserving families who need additional support during the holiday season. Participating departments will be matched with a family and provided with a wish list to help make their holiday season a little brighter.

If your department is interested in participating this year, please email communityrelations@buffalo.edu by **Monday, November 2**, with the following information:

- A department contact person
- The number of family members your department would be comfortable providing gifts for
- Any family background preferences you would like us to consider (e.g., an international family)

As you consider participating, please keep in mind the number of family members your department would be able to shop for. Our goal is to help make the holiday season special for everyone in each family and we appreciate your help in making that possible!

Family matches and wish lists will be sent by **Thursday, November 19**, along with instructions for dropping off gifts at Allen Hall (3485 Main St.) during our drop-off period in December.

Thank you for your continued support and generosity. Together, we can help make the holiday season a little brighter for families in our community! If you have any questions, please let me know – mwood4@buffalo.edu.
