

Rally to Support Paid Family Leave

Stand up for paid family leave!

On Monday, May 18, join faith, labor and community leaders as we call for legislative approval of a state paid family leave program at a Moral Mondays rally at the state Capitol.

Paid family leave provides the time necessary for working parents to care for infants and toddlers. It also allows working parents a way to tend to seriously ill and elderly family members. And it contributes to job retention and long-term economic stability.

New York's working families deserve paid family leave!

WHAT: Vigil and rally to support paid family leave

WHEN: 5:30 p.m., Monday, May 18

WHERE: War Room, 2nd Floor, New York State Capitol

WHY: As poverty and inequality in our state grow, faith, labor and community are coming together to call for a New York that puts people first.
