

Michael Clarkson-Hendrix – Chapter Secretary

My name is Michael Clarkson-Hendrix, and I am an Assistant Professor of Social Work in the Department of Sociocultural and Justice Sciences. I have been a member of the UUP Executive Board since 2017, and I am running for Chapter Secretary as I wish to expand my service to the Union. My involvement with the Union aligns with my interest in the social welfare of the university workforce, particularly in the areas of retention/turnover, job satisfaction, and burnout.
