Subject: Power of SUNY salary increas and DSI Award

Purchase College
STATE UNIVERSITY OF NEW YORK

To: UUP Faculty and Staff

Date: November 2013

In accordance with the UUP contract, full time UUP faculty and staff will receive a base salary increase of \$500. Part time faculty and staff will receive a prorated share of \$500. This increase is effective 7/1/13. In order to receive this increase, faculty and staff had to be on payroll as of 6/30/13 or had worked for the equivalent of one semester during the previous academic year. This will be reflected in the 11/6/13 paycheck.

In addition the contract calls for a DSI distribution equal to 0.5 % of base annual salary. However, the contract stipulates that 28% of the total pool be distributed to part time faculty and staff calculated on a systemwide basis. DSI is NOT added to base. It will be a one time, lump sum amount and will appear in the 12/18/13 paycheck. We have authorized the distribution across the board within each full time/part time pool for approved faculty and staff. The Human Resources Department will send a memo to those receiving a DSI award.

Thanks to everyone for their commitment and dedication to our college.
