Paul Kaplan (Faculty, Humanities) and Warren Lehrer (Faculty, Art + Design) are not listed on the ballot but they are running to be on the Purchase Executive Board as Faculty delegates. You won't see their names, but **we ask that you consider their candidacies as write-ins.**

Warren Lehrer is not running to be VP for Academics for the Purchase UUP Chapter after holding that position for over a dozen years. If you are a faculty member, please consider running (**as a write-in**) for this position. It qualifies as "community service" and is a great opportunity to be engaged in the union advocating for fellow members and faculty concerns. Feel free to reach out to warren.lehrer@purchase.edu to find out more about what's involved.

Richard Nassisi is no longer interested in serving as the Officer for Retirees. So that spot is vacant.

You should be receiving a ballot and instructions for voting in our 2019 Chapter Election in the mail (at your home address) soon. Please take a few minutes to take part in this most fundamental element of union democracy--by voting for the people you would like to represent you!!
