Your Opinion Counts!

A new 15-20-minute survey seeks information on workplace conduct among SUNY employees.

The survey was written and is being distributed by UUP to gather detailed information about UUP members' experiences regarding workplace behaviors and interactions among SUNY employees that affect members' job satisfaction and success.

Survey results will be used for future initiatives and reports on how to best support and improve conditions for UUP members.

While a version of this survey is available for smartphones, the survey may ask you to type explanations and/or lengthier responses. As a result, it is easier to complete on a tablet or personal computer. Type in the link above or scan the QR code for instant access.

Questions about the survey can be directed to statewide Vice President for Academics Jamie Dangler at jdangler@uupmail.org or at 800-342-4206.
