

BUFFALO STATE CHAPTER

COMMUNITY ON CAMPUS

Join the Western New York Community for a vital panel discussion dedicated to unity and connection. In a world where national issues often pull us apart, this event is a space to discover meaningful pathways to come together. This is the first in a series of conversations aimed at fostering local growth, strengthening our bonds, and building a more connected WNY.

Panel presentation followed by coffee, cookies, and conversation.

Tuesday, October 6, 2026

6:00 PM - 8:00 PM

**Buffalo State University
Alumni Center**
