

## **DETAILS FOR THE NYC MARCH FOR SCIENCE ARE AS FOLLOWS:**

The march will kick off with a rally on Central Park West at 62nd St at 10:30 am. The rally is expected to last one hour. Once the rally is over, it will be time for all New Yorkers to proudly march together showing their love and support for science!

**UUP Members should take the subway to 59<sup>th</sup> St/Columbus Circle (C, D and #1) and meet at 60<sup>th</sup> St. and Central Park West, in front of the Mayflower Hotel at 10:15 a.m.**

### **March Route**

The route will encompass Central Park West from 72nd St, proceed to Broadway via Columbus Circle, and finish at 52nd St & Broadway. The organizers have been working closely with NYPD to choose a route length that will allow everyone to have enough space, based on how many marchers have registered.

### **Entry & Exit Points**

All marchers will need to enter Central Park West from the west side. You will not be able to enter from Central Park. Once you are on CPW, if you would like to leave the march and go into Central Park, you will be able to. You just aren't able to (re)enter coming from the park.

Not all side streets will give marchers access to Central Park West, so please enter from Columbus Ave or Broadway via 64th, 68th, and 72nd streets. As the crowds grow in size, the NYPD will begin to close off southern entrances, beginning with 61st St, and will continue to close them moving north as needed.

### **Accessibility at the Rally**

For those who may require special assistance to attend the rally they have been able to arrange some accommodations. There will be an ASL interpreter on the stage who will sign for the hearing impaired. Marchers who have physical disabilities may enter the rally through 61st St and Broadway.
