## Your Opinion Counts!

A new 65-question survey seeks information on the experiences and working conditions of SUNY's part-time and full-time contingent academic employees.

**The survey was written and is being distributed by the union's Contingent Employment Committee** to gather detailed information about hiring, workload, working conditions, compensation and other aspects of working as a SUNY contingent employee. It should take about 20-30 minutes to complete.

Survey results will be used for future initiatives and reports on how to best support and improve conditions for contingent academics.

The survey isn't formatted for mobile devices, but smartphones can be used to take and submit the survey. Hard copies of the survey are also available from UUP; contact VPA Jamie Dangler at (800) 342-4206 for details.
