

# UUP ORGANIZING ACADEMY

## To Build and Grow Our Union

For new and seasoned UUP union activists who want to:

- Build union power
- Grow their union
- Learn leadership skills
- Run effective campaigns

The UUP Organizing Academy is a program for UUP members who are serious about strengthening and growing our union. It will offer fifteen workshops on organizing topics such as: one-on-one conversations, campaign planning, managing data, building teams, and more.

**We are pleased to offer the following training series in the Fall 2022 semester:**

- 100-Level: Basics of Organizing
- 200-Level: Applied Organizing

The Fall courses will be online and those who sign up will receive a Zoom link. Each training is one hour long. It is helpful, but not strictly required, to take all courses in order.

### TRAINING SERIES AVAILABLE

#### **100-level “Basics of Organizing”**

Basics of Organizing starts participants off with the foundational skills that UUP members need to be effective organizers, as well as a solid understanding of the theory and practice of union organizing.

#### **200-level “Applied Organizing”**

The Applied Organizing series takes the individual skills that member-organizers learn in the 100-level trainings and extend them to larger-scale projects: team-building and campaigns. Here is where member-organizers learn to handle organizing project coordination.
